SECTION 3 - SERVICE OFFERINGS, (CONT'D.)

3.3 Types of Services Offered, (Cont'd.)

3.3.4 Unlimited Local Exchange and Long Distance Service

The Unlimited Plan provides residential Customers with local calling, long distance calling and features for a flat rate. In order to subscribe to the Unlimited Plan, the Customer must select the Company as the primary service provider for local exchange, intraLATA interexchange and interLATA interexchange telecommunications services. The availability of the Unlimited Plan to the Customer may be restricted based upon the Company's access to services through the incumbent local exchange carrier. Rates and charges associated with the Unlimited Plan are set forth in this tariff.

The Unlimited Plan is a bundled service package which includes single-line local service, Caller ID – Number Only, Call Forwarding, Call Waiting, Call Return (*69), and Three Way Calling. Customers will also receive unlimited domestic long distance usage. The unlimited domestic long distance usage is for residential voice use only and applies to non-operator assisted, direct-dialed domestic calls. Use for home office, small business, large commercial business, or other commercial use is prohibited and may result in termination of the service.

The Company does not prorate the final monthly charges for the Unlimited Plan. If the Customer's service is discontinued prior to the conclusion of a billing period, the Customer will remain responsible for the monthly charges for the entire billing period.

In addition to the features described herein, the Unlimited Plan includes subscription to an unregulated service, the Company's Voice Mail. The Unlimited Plan may be provisioned without the Voice Mail feature upon request of the Customer.
